TABLE OF CONTENTS

Looking down the halls of Whiting High School, one can best observe school and its students. The school is the center of a student's life and the halls resound with echoes of their various activities. So let's roam through Whiting High School's "Halls of Fame" and see what can be found.

WE ENROLL FOR THE SCHOOL YEAR

Enrollment is not made in any old haphazard, haphazard, haphazard way. It is made in a very systematic way. The students must first be in the school and then they must be in the school for a certain period of time. They must also be in the school for a certain period of time. They must also be in the school for a certain period of time. They must also be in the school for a certain period of time.

So, before the beginning of 1955 it was not so easy to enroll in the school. It was not so easy to enroll in the school. It was not so easy to enroll in the school. It was not so easy to enroll in the school.

WE MEET MORE FRIENDS . . .

The highlight of the Junior-Senior Prom, "Fantasy in Crystal", was the Grand March.

School life includes much more than is found in books. Dances, football games, clubs, and many other activities take up much of the students' time.

The Junior-Senior Prom, the main social event of the year, is a student's most cherished memory of his school days. Much fun and work goes into the preparation for this big event but the success of a job well done and a perfect evening is reward enough.

Marilyn Gyure, junior class president, and her escort, Andy Hanis, take time out to chat with Rosemary Perunka and her escort, Andy Rusnok, president of the senior class.

JUNIOR CLASS ENGAGES IN MANY ACTIVITIES

The junior class of 1953-54 had its time filled with many activities, both scholastic and social.

The juniors will long remember the school dances and the many long hours spent on various committees for parties.

Another highlight of this year was the presentation of two all-school plays in which many juniors interested in dramatics participated.

Perhaps the most remembered event in this year was the selection and ordering of class rings. No junior can ever forget the excitement he experienced when he went to the jeweler's to be measured for his ring.

Baseball, basketball, and football games were other events which the juniors enjoyed this year. Musically inclined juniors participated in the choruses, orchestra, and the band.

Juniors with a flair for writing took journalism this year, and they are looking forward with enthusiasm to next year when they will edit the TATTLER and REFLECTOR.

A big job that was done this year by the juniors was presenting the annual Junior-Senior Prom. May 28 found the Girls' Gym beautifully decorated with the theme of "Block Magic." This evening is probably the most cherished memory of the juniors who attended.

June brought a close to this school year for the juniors. Next year they will be seniors and they can always look back on this year as one of the most wonderful years in their lives.

Another highlight of the year was the annual Latin Club exhibit for which students of the club constructed various projects pertaining to old Rome. The object of this project is to stimulate interest among the Latinites.

The Latin Club was created to give all students taking Latin a chance to participate in business and social life activities. In order to be a member of this organization you must take one year of Latin.

LOVE OF THE THEATRE EXPRESSED BY THESPIANS

"Play practice after school today. Make-up crew in room 310." These are the familiar words of Mrs. Stephen Lentvorsky, sponsor of the National Thespian Society.

To become a member of the Thespions one must earn a total of ten points. A person may achieve this honor by participating in the all-school plays, make-up crew, operettos, or various other crews.

This year the Thespions sponsored an all-school dance, "The Straw Hat Holiday", which was a big success. Officers of this organization are Conrad Blaska, president; Francis Jancek, vice-president; Bob Olson, treasurer; and Mory Ann Mozanek, secretary. One of the chief duties of the officers is to count up how many points a person should receive for participating in the plays or other phases of the theatre.

Mr. Bernard Qubeck began teaching music at Whiting in the 1950-1951 school year. Since that time his choruses have produced many first-rate shows.

Included in the Music Department are the Melodeers, Freshman Chorus, and Advanced Chorus.

Although Mr. Qubeck directs the choruses for concerts, assemblies, the annual Christmas festivities, and contests, he assists Mr. Adam P. Lesinsky with the Whiting High Band and Orchestra.

The high-light of this year was the operetta, "Good News."

N. H. S. PROMOTES SCHOLARSHIP, LEADERSHIP, CHARACTER AND SERVICE

To become a member of the National Honor Society of Whiting High School, one must be outstanding in scholarship, leadership, character, and service.

Names of students possessing these characteristics are submitted to the faculty for vote. Five per cent of the junior class are elected in the spring, and 10 per cent of the seniors are elected in the winter.

Election to the National Honor Society is one of the greatest honors that can be bestowed on a student because by it, the faculty recognizes the student's outstanding traits.

Students are received into the club by two initiations—a formal one and an informal one. The

formal initiation brings to the student's attention that he must carry high the torch of knowledge and character always.

The informal initiation is one that really tests if a student can be a worthy member of the organization as the stunts and tricks played on the initiates are sometimes trying on their patience.

Mrs. Stephen Lentvorsky is sponsor of the society.

1953-54 officers are Ferid Murad, president; Gregory Jancich, first vice-president; Bob Valencik, second vice-president; Rose Dudas, secretary; Dolores Cernota, treasurer; and Francis Jancek, social chairman.

GRIDDERS FIGHT ONWARD

1. Habor there — Although the weather wasn't on the team's side, the Green and White come through with flying colors and a 6-0 win. Drenching rain did not dampen the spirit of the W.H.S. team.
2. Mortan here — With a score of 46-6, the Oilers pocketed their second win. Highlight of the game was Bob Valencik's run of 103 yards for a touchdown after intercepting a pass.
3. Lew Wolloce — The first conference game for the Oilers proved to be the first loss. The final score, 6-2. Lew Wolloce scored on a fluke Whiting punt to win from a determined Whiting squad.
4. Washington here — The Oilers last by a wide margin, 33-0, to one of the state's strangest teams.
5. Hommand High there — In this exciting game, Whiting led 13-0 at halftime. The crowd was kept on the edges of their seats; two minutes before the end of the game, Hommand made a winning touchdown and kick, making the final score 14-13.
6. Brazil here — The Oilers came out on top of a 48-13 score. Phil Grenchik scored a last-minute touchdown on a 62-yard run.
7. East Chicago Roosevelt here — Whiting's best and most exciting game of the season. Although statistics proved that Whiting outplayed Roosevelt in completing passes, intercepting passes and yardage gained, Roosevelt pulled through with a 6-0 win.
8. Harace Monn there — With Horace Mann leading all through the half, Whiting managed to fight up to the 13-13 score in true Oiler fashion. It was a dreary and snowy afternoon, but Whiting's spirits were high. Ed Fritz plunged over for a touchdown and Nick Plesha kicked the tying extra point in the closing minutes of the game.
9. Clark here — On the short end of a 6-0 score, the Oilers lost a heartbreaker to their cross-town rivals. This defeat of the Green and White at the hands of the Pioneers was the first since 1945.

The Oiler netmen were edged by Hommond Clark in the opening game of the season, 63-56. After trailing for two periods, the Whitingites staged their first comeback to tie the score at 54-54 in the final quarter. The overtime proved useless as the Oilers were outscored, 9-2, in the three-minute extension.

Kavachic's cogs dropped their second chance to Michigan City's Red Devils, 61-38. Following the loss of their first-quarter lead, the Whiting hardwood men trailed the remainder of the game.

Traveling to Hommond Tech, the Oilers slaughtered the Tigers, 37-27. Although leading all the way, this score remains Whiting's lowest seasonal tally.

The oil city five added a victory over Fowler to their prestige in a 42-36 thriller. Sharing the lead

with their opponents, the Oilers were never on safe ground.

The tide reversed as the Oilers went against Emerson, December 9. Emerson's fast break set the Oilers trailing, 21-5, in the first quarter. The Oiler five were trampled, 63-38.

The Blue Devils of Froebel handed the Oilers their second consecutive loss, 58-45, in Gory Memorial Gymnasium. Chuck Bencie of the steel city ripped the nets for 27 points. Greg Jancich tallied 17 points to lead all Whiting scorers.

The Green and White hasted Marmion Military Academy in their third home game of the season. The Oiler five bloated the trail all the way to win, 55-46.

The Oilers received their first big upset at the hands of Thornton Fractional. After trailing through three quarters of play, the Oilers walked off with a 54-52 victory.

Loss number six went on the Oiler record, as the Wildcats of Hammond High ran over the Oilers, 70-50. The Oilers were never in striking distance of Radavich and company.

Baasting a 3-6 record, the Oilers were snawed under by Tallestan's Blue Raiders, 53-41. The Oilers were dragging 30-15 at the intermission and 40-29 at the third period. Raider James Newcome outscored everyone with 28 points to his credit.

The Oiler netmen ramped over Hammond Clark, 61-59, on their second meeting this season in the Whiting Memorial Gymnasium. Few points separated the cross-town rivals throughout the game.

Whiting hardwoodmen soared high as they downed Valparaíso, 56-34 on their home floor.

Following their conquest of Valpa, the Green and White fell prey to E. C. Roosevelt, 73-62. Frank Allen's 13-point spree sent the Oilers trailing by 20 points in the first period. Jim Satterlee led all scorers with 22 points.

Following their loss in the twin city, the Whiting five were trampled, 61-48, in the opener of a double-header including Clark and South Milwaukee. After trailing in the first quarter, S. B. Washington held a steady lead in the remainder of the game.

The Hornets of Lew Wallace bowed before the wrath of the Oilers in a 74-55 conquest. Last year the Hornets tapped Whiting, 74-55. Quite in reverse!

The Oilers finished the '54 season by hasting E. C. Washington, Western Division champs. The Senators retained their record by dropping Whiting, 73-63.

SCHOOL SPIRIT RAISED BY BOOSTER CLUB

Through the enthusiasm and inspiration of the senior girls, the Booster Club was formed last fall. The constitution was created listing many precedents to be established, the main one being to promote good sportsmanship and boost the moral of both team and students.

With Mr. Norman Hall as sponsor and Mary Hoviley as president, the organization has made a notable beginning.

Approximately 250 students and teachers are members. Their membership is signified by a pin inscribed with the name of the club.

Producing an assembly program, developing a cord section, and making signs were some of the major projects for homecoming this year. The Booster Club was also in charge of an assembly before the tournament.

Various committee chairmen were charter, Dolores Cernoto and Rose Dudos; publicity, Liz Grdino and Ruth Short; membership, Marilyn Levin; signs, Pat Pustek and Eleanor Szerbowski; badges, Pat Porter, Beverly Jones, and Joan Du Fon; and finance, Rose Humenik and Arlene Horness.

Each day to school we came
down our sacred halls of fame
To lockers jammed with books and pens,
to rooms of ever faithful friends.

Seeking knowledge our vital need,
honor and courage we made our creed.
Our teachers showed us the endless light
to keep our halls shining bright.

When our working day was done,
then we knew 'twas time for fun.
At dances, parties, games and meetings,
our halls echoed welcome greetings.

Now with graduation near,
we bid farewell to things held dear.
Our paths will cease to be the same,
but we'll always cherish our Halls of Fame.

Our learning is done, we will leave with diplomas in our hands and memories in our hearts. Then we will
turn our thoughts to the future.
